

Chevrolet Announces Two New Lines for 1935

The Coupe model typifies the beauty and style of Chevrolet's new Master De Luxe series for 1935. Improved performance and exceptional economy also characterize these cars.

Right: Front view of New Master De Luxe Coupe, showing roominess and graceful lines. Below: The Sedan model in the New Standard series, which, powered by the time-proven Master engine, combines brilliant performance with its smartness and style.

Fleet, graceful lines also mark the New Master De Luxe Sport Sedan. Ample luggage space is provided by the built-in trunk, and a luggage compartment behind the rear seat cushion.

Another attractive model in the New Standard series is the Coupe pictured here. Numerous body and chassis refinements, in conjunction with the Master engine, unite to make these cars outstanding values in the lowest-priced field.

Typical of Chevrolet's two new lines of cars are the models illustrated here. The Master De Luxe series reveals strong emphasis on beauty and style. Mechanically, the Master De Luxe series and the New Standard series have much in common, including the Master engine, in which numerous refinements have been made to enhance performance, durability and economy. As these pictures reveal, the New Master De Luxe departs distinctly from previous Chevrolets in the striking advance which has been made in body design and trim.

CITY NAMED BETHLEHEM 193 YEARS AGO YULETIDE
BETHLEHEM, Pa. (U.P.)—One hundred and ninety-three years ago this Christmas this city was named Bethlehem.
The scene of the event was a stable adjoining the first house in the town. The site is now marked with a bronze tablet.
The services were conducted by a new arrival in the colony, Count Nicholas Ludwig von Zinzendorf. The count led the way to the stable, carrying a lighted candle and singing a German hymn.
Before the close of the service the congregation sang, "Christ, Whose Glory Fills the Skies," and the sacristans appeared carrying lighted wax candles, distributing them throughout the assemblage.
The settlers' love of music and simplicity of service have been

Turkey Feed To Be Topic Monday At RRA Meeting

All Members Invited to Sit in on Demolishing of 20-pound Bird

Captain John Stroth's revolver team, which challenged the losers in the turkey shoot held recently, to a match, had to acknowledge that the No. 2's were just a shade too good for them last Saturday when the second match was pulled off. The No. 3 team had its alibi, however, because Chief G. M. Calder, Gordon Glidden and Councilman W. H. Stanger fell way below their usual average. The No. 3 team lost by 35 points, 943 to 914. The No. 2's say they would have won by a wide margin had Percy Bennett shot his usual figure.

Individual scores for the No. 2 team were: Eckerley, 233; Travoli, 225; DeBra, 224; Bennett, 131; Dolton, 131. No. 3 team, Abbott, 230; Glidden, 205; Stroth, 177; Stanger, 169, and Calder, 133.

On Sunday Stanger had scores of 195 and 219; Bennett, 166-165-233; Fred Anderle, 236-231; and Smithy, 176.

Average scores for members of the association who have been to practice five times or more are as follows:

Shooter	Total	Average
Anderle	5192	238.83
Eckerley	6118	226.59
DeBra	4661	221.95
Hoynton	3504	219.00
Ashton	2633	202.53
Travioli	3538	202.00
Summers	2170	197.25
Stanger	1305	164.00
Bennett	2272	162.28
Dolton	2814	156.83
Webb	1027	146.71
Spehner	823	137.17
Schumacher	1845	137.08
Stroth	1191	130.11

Those who have been to practice less than six times made averages as follows: Abbott, total 930, average 231; Glidden, total 1000, average 221; Calder, total 445, average 148.50.

The regular business meeting of the association will be held Monday evening, January 7, at the city hall, starting at 7 o'clock. Members will learn something about the turkey feed when all hands will take part in demolishing a 20-pound turkey, the gift of the No. 2 team. The date of the feed will be set Monday night, and the place of serving decided upon. The original plan had been made to let the No. 1 team eat the turkey, but these big-hearted boys have invited the rest of the club members to sit in. The committee in charge of fixing up the new city range will make a report on progress. The range will probably be ready for use this

MARINE LEAGUE BASKETBALL
Tomorrow will see resumption of play in the Marine League basketball series, with the following games scheduled:
Leuzinger at TORRANCE.
El Segundo at Narbonne.
Gardena at North Long Beach.

Dead Monkey Found
WILSON, N. C. (U.P.)—Although game is plentiful in Wilcox County, Hubert Amerson was rightfully startled to find a new-killed brown monkey in the woods near here. Part of its tail had been shot off, and the entire body well peppered. No carnival or circus had been in this vicinity for six weeks.

Gas Station Looted 50 Times
EAST LIVERPOOL, O. (U.P.)—The Midway Oil Company's gasoline station here "has been robbed at least 50 times," believes George T. Farrell, owner. Though the station is only 10 years old, Farrell said he had "quit counting at 50" and believed the station had been looted at least 10 more times.

CHRISTIAN SCIENCE CHURCHES
"Now unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever." These words from Paul's first letter to Timothy constitute the Golden Text in the Lesson-Sermon on "God" on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

A Bible passage in the Lesson-Sermon cites the questions of Malachi, "Have we not all one father? hath not one God created us?" Other passages include the statement of the Psalmist: "A father of the fatherless, and a judge of the widows, is God in his holy habitation. God setteth the solitary in families; he bringeth out those which are bound with chains"; and the words of Isaiah: "Thus saith the Lord, The heaven is my throne, . . . As one whom his mother comforteth, so will I comfort you; and ye shall be comforted in Jerusalem."

Among the selections from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, are the statements: "Love, the divine Principle, is the Father and Mother of the universe, including man"; and, "Father-Mother is the name for Deity, which indicates His tender relationship to His spiritual creation."
